Welcome to Premier Tumbling and Premier Studio for Dance

We are so happy to have you join us for a new season at Premier. We are excited for the opportunity to offer so much more this fall.

Premier Tumbling is located at the end of the plaza next to Anytime Fitness. This location will offer classes in: Tumbling (all levels), Tot Tumbling, Parent and Tot, After School Program, Birthday Parties and Adult Fitness (including boot camp).

Premier Studio for Dance, which is located next to Ace Hardware, will offer all styles of dance as well as Twinkle Star dance/tumbling combo classes, musical theatre and competition team practices.

We have added a lot of new classes and hope you will take advantage of everything Premier has to offer!! In addition to our dance/tumbling program, we also have a GREAT fitness program which will be at Premier Tumbling Studio. These classes are very affordable and are offered throughout the week. Please check our adult fitness flyer for more details. Premier also offers personal training and sports training for all styles of sports.

We have two opportunities throughout the season to perform. In addition to the Holiday Show in December, we will have a Spring Showcase in May. All of the necessary forms needed for your child to participate are included in this packet. Please review these forms carefully and take special note of the deadlines.

Monthly tuition will be charged to your credit card on file the first day of every month. Auto withdrawal is required for all students enrolled in a class. You may change or drop classes during the season. You **MUST** give a 30 day notice to drop a class. Premier will allow one make up class per month.

This packet contains all of the information needed for the season. **Premier has one continuous session.** August 4 – May 18 - Even though this is one continuous session, your tuition will be billed monthly. You can start at any time during the session and drop during the session, as long as we have a 30-day notice to drop. If you start in the middle of the month, your tuition will be prorated. Premier will be closed the following days for holidays: **9/1-9/3, 11/22 - 11/25 and 12/23 – 1/2**. During this 10-month session (August 4 – May 18), you will have a total of 39 classes (an average of 4 classes per month with the exception of 3 classes in the month of May), even with the winter break and closed holidays. Therefore, all months will be billed equally August - April. You will only be charge for 3 weeks in May.

A list of important dates for the year is included in this packet. Please keep this readily available as it will remind you of all Premier events, closed holidays and deadlines.

Welcome again, and we look forward to an exciting year with your child.

Your Premier Staff

Premier's Procedure and Policies

*Tuition is paid monthly and is charged to your credit card on file the first of every month. A \$20 late fee will be charged for any account not paid by the first of the month.

***No credits or refunds** will be given for missed classes.

*Make up classes are a privilege and we allow ONE make-up per month. Make-ups must be made within two weeks of the missed class; otherwise the missed class is forfeited. No exceptions.

*If you need to drop a class, please fill out a withdrawal form at the front desk or send an email with the date and reason for your withdrawal. This **MUST** be done 30 days prior to dropping the class; otherwise you will be responsible for that month's tuition. **NO** refunds or credits will be given.

*You may switch classes if it's approved by the instructor and there are openings in the class you are wishing to switch to.

Class rules:

1. Proper attire is required

* See Website for each class dress code

2. Hair pulled back and out of face. Must be in a bun for all Twinkle Star class and ballet class. Hair must be in a ponytail for all tumbling classes.

3. Student must participate in class and take instruction from the teacher.

4. Disruptive students will be asked to leave the class.

* The teacher will decide if the student can return to class.

5. No parent is permitted in the gym or dance room unless invited by the teacher.

6. No running in the hallways at any time.

Notes to the parents:

The kiddie corner at Premier Studio for Dance is available for young children to play quietly. All toys **MUST** be kept in the kiddie corner area, and all children **MUST** be attended to while playing in the kiddie corner. Do **NOT** leave your child unattended. Please don't let your child throw toys or yell while in Premier. The lobby is typically loud and with the added noise of overly loud children, it is hard for the front desk staff to conduct business.

Premier does not have extra staff to watch kids while they are not in class so please make sure you do not drop your child off more than 5-10 minutes before class and pick them up promptly after class. We cannot have unattended students hanging around the studio waiting for class or waiting to be picked up. If you are running late, please call the studio and we will make sure the child is waiting by the front desk until you get there.

Although many classes have a wait list, some classes may have smaller enrollment. We must have a minimum enrollment to run the class. If a class has less than 5 children or drops to less than 5, the class may be cancelled and students will be moved to another class which may be on a different day and time. We will give you as much notice as possible if this situation arises.

Premier has one continuous session. August 4 – May 18 - Even though this is one continuous session, your tuition will be billed monthly. Premier prides itself on building each child in more ways than just skills. We spend our entire season building confidence, encouragement and self-esteem. We want Premier to be everyone’s happy/safe place. A place they can learn, build great friendships, be themselves and not be judged. Premier has an amazing staff that the parents can trust and believe in. We know you want only the best people coaching and influencing your child, and we are proud to provide that to the community.

Premier's Mission - To build strong, confident and happy children by teaching above and beyond the basic dance/tumbling skills.

This season at Premier we will focus on children of all ages to make them the best they can be as a person as well as a dancer and tumbler. We have a year-long program to instill the values of kindness, thoughtfulness, giving, and loving one another as well as themselves, as a main focus in their lives. We are asking the parent's help with this, especially the younger ones. We also encourage the parents to join in and be a part.

There will be a permanent box stationed in the lobby of the Premier studios for the entire season. This box is for everyone, (students/siblings/parents/grandparents) to fill out a card and deposit into the box every time they are at Premier. Each month we will focus on different areas. We want everyone who walks into Premier to come in with a mission to be happy and make other people happy. If you would like to write your name on the card, feel free. We would love to know that the Premier family is coming together to be one big happy family, helping each other and building each other up.

Here are the monthly themes:

September - Make a new friend - Each time you are in Premier, get to know someone new. Learn their name and something about them. Write on a card your new friend's name and something you learned about them or why you wanted them to be your friend.

October - No longer scared - Write something that you feel you personally overcame and you are no longer afraid of. Step outside of the box!

November - I am Thankful - Write on your card something you are thankful for. Our lives are full of things we take for granted and we need to take the time to reflect on all of the things we should be grateful for.

December - Be a GIVER - Giving gives us an amazing feeling. Do something special for someone because it feels good. Write on your card things you did for someone else and also something special others have done for you just because they wanted to.

January - New Year, New Me - Write something you feel has made you a better person or something you will do to make you feel better about yourself. Become a person you would want to be best friends with.

February - So much to love - Write something that makes you feel loved, something that you love with a passion or something you relate to the word LOVE!

March - Lucky to be you - Write things you are lucky (fortunate) enough to have in your life. Things about YOU that would make others feel lucky just to know you.

April - It's no joke - I am happy because..... you fill in the blank

May - Best Memory of the season - What made you the happiest about your season at Premier? We want to know!!

Please take the time to fill out a card every time you are in Premier and help your child if they are younger. We appreciate everyone's participation this season helping our young minds become stronger, nicer, happier, more confident, and more aware.

Actions speak louder than words!!
